

put the fun into fundraising!

Organising a fundraising event is a great way to support the work of **Ovarian cancer action**.

Our fundraisers hold **quizzes, organise balls or concerts, walk or run, skydive or sing as a way of raising vital funds**. Collections at school, dinners with friends, pub quizzes, golf days, tennis competitions, karaoke nights, plant sales and more can contribute to the fight against ovarian cancer.

Why not send for our latest fundraising pack?

It's full of advice and tips, including **six steps to a successful event**, a planning checklist, health and safety requirements, and an event registration form. You can also order **Ovarian cancer action** pin badges from the order form in this pack.

Why not organise a fundraising event for Ovarian cancer action?

Please email Jane at jpritchard@ovarian.org.uk putting **FUNDRAISING PACK (AWARENESS)** in the subject heading, or call her on **020 8238 7605**.
